Assistant Professor
Department of Stomatology
College of Dental Medicine

Dear Dr. Hamil:

The Office of Interprofessional Initiatives would like to invite you to serve on the IP Core Curriculum Committee. This committee is tasked with redesigning the current IP Core Curriculum (IP 710) to create an optimal curriculum for Interprofessional Collaboration which includes all students at MUSC. The committee will meet once per month beginning in November with the proposed changes being implemented in the Fall 2017 or Spring 2018. This redesign is part of the University Quality Enhancement Plan for reaffirmation of our SACSCOC accreditation and is in line with the Imagine 2020 Goal to foster innovative education and learning.

The IP Core Curriculum Committee will be chaired by Jennifer Bailey, Director of Operations in the Office of Interprofessional Initiatives. Please cc Sarah Velasco at velasco@musc.edu with your response and we will set the initial committee meeting as soon as possible.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Borckardt".
