MUSC Team-Up for Better Health Student Video Contest

MUSC's Office of Interprofessional Initiatives is Sponsoring a Student Video Contest to promote our new Quality Enhancement Plan (QEP) as part of our University Accreditation re-affirmation application.

A Quality Enhancement Plan (QEP) is required component of MUSC's re-accreditation application and represents a 5-year plan developed by the institution that (1) includes a process identifying key issues emerging from institutional assessment, (2) focuses on learning outcomes and/or the environment supporting student learning and accomplishing the mission of the institution, (3) demonstrates institutional capability for the initiation, implementation, and completion of the QEP, (4) includes broad-based involvement of institutional constituencies in the development and proposed implementation of the QEP, and (5) identifies goals and a plan to assess their achievement.

MUSC's QEP is "Team-Up for Better Health" and will focus on the development of applied interprofessional teamwork skills among all students, faculty and staff Institution-wide. Optimal coordination of effort and activities among clinical and research teams is instrumental for the future of academic healthcare, and MUSC is striving to be the National leader in developing students with exceptional teamwork skills.

Contest Eligibility

- Students from all Colleges are eligible to participate
- Each video must be created by an interprofessional team (minimum 2 students, both from different professions).

Video Content and Rules

- The video must promote the QEP's focus of "Team-Up for Better Health" and the importance of applied interprofessional teamwork skills in the future of healthcare delivery in the United States.
- More information on our QEP is available [HERE](#).
- The videos must be no more than 3 minutes in length.
- Videos must use the branding for the QEP produced through MUSC's Office Of Communications (approved branding is at the top of this page)
- Click here for MUSC [PHOTO](#) and/or [VIDEO](#) standards information.
- It's up to each team to decide on the script and content of the video, but no copyrighted media can be used.
- The Office of Instructional Technology and Faculty Resources can provide a small amount of support such as suggestions for how to capture video.
- If possible please start your video with the standard Team-Up Intro graphic, and end your video with the Team-Up Outro Graphic.
- The graphics are at the bottom of this page as JPG files.

Judging and Awards

- Judging will be conducted by all students and faculty and the online rating system will be open January 9th, 2017 through this website.
- First place prize is \$1000 stipend to be divided between the winning team members.
- Second place is Amazon gift cards for the team.
